

## **WG 5**

# **Conferences, seminars and training schools**

Chair

**Evelina Shikova-Lekova (Bulgaria)**

**Els Tobback (Belgium)**

# Perspective work plan

- **Announcement of training schools, STSMs... on time (publication on euromene website, email to COST members)**
- **Motivate young research investigators**
- **Better to overuse than underuse budget in order not to loose money the next round**

# **WG 6**

## **Dissemination and exploitation, patient involvement, digitalisation**

Chair

**Lorenzo Lorusso (Italy)**

Vice-leader

**Anne Marit Mengshoel (Norway)**

# Webpage

- Open access to the public domain by 10 days after receiving your comments and observations
- The name of the website is:

**Euromene.eu**

# Perspective work plan

## Webpage

Improvement the sections:

- What are plausible that the work groups are going to present on the websites this year?
- What kind of deliverables should be presented?

# Perspective work plan

## Update on

- To collect information of the existing small/medium-sized enterprises (SMEs) in the pharmaceutical, biotechnology and ICT industries in each EU participating country in order to create a list for a collaborative research;
- Regarding the update on initiative, meetings, conferences associated with Euromene group;
- Create a section dedicate to patients association in Europe with of list of them;
- To get the presentations of the Cost Actions meetings for an update on the activities of the different WGs.
